-: QUALITY POLICY :-

Industrial Sweeping Services Pty Ltd from its modest beginnings has never forgotten the ongoing policy of offering prompt, reliable and efficient services and [products of the highest standards, all the time, every time, in a cost effective manner.

Industrial Sweeping Services Pty Ltd will strive to provide excellent, cost efficient quality of service and products with diligence, honesty and integrity to ensure that our customer needs are met.

Assurance is given to the customer that services, products and systems are revised and checked regularly to maintain the highest possible quality.

Quality is a strategic competitive advantage to our company.
